

DEBNEY MEADOWS
PRIMARY SCHOOL
FLEMINGTON

Dear Parents/Guardians,

Debney Meadows Primary School is looking forward to another great year of teaching and learning and would like to advise you of the voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. The range of experiences and educational enrichment like Hall are offered as a result of parental support.

We want to thank you for this ongoing support, whether that's through fundraising or volunteering your time. Your continued support makes a huge difference to our school and the learning opportunities for our children

Please find below Debney Meadows Primary Schools contributions schedule for 2022, which includes an overview of what your contributions will support in 2022.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Koreena Carlton
